ORDER

Kentucky Rural Water Association (“KRWA”) has applied for accreditation and approval of a training session to be held on July 16, 2015, at Warren County Water District’s office in Bowling Green, Kentucky. The July 16, 2015 training session provides instruction on various water and wastewater facility processes and procedures.

This Commission is required to “encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner’s understanding of his or her responsibilities and duties.”<sup>1</sup> Having reviewed KRWA’s application, the Commission finds that the presentation at Warren County Water District’s office will enhance a water district commissioner’s understanding of his or her responsibilities and duties and should be accredited for six hours of water district management training.

IT IS THEREFORE ORDERED that:

1. The presentation at KRWA’s training session to be held on July 16, 2015, at Warren County Water District’s office in Bowling Green, Kentucky, is accredited and approved for a maximum of six credit hours of water district management training.

---

<sup>1</sup> KRS 74.020(7)(c).

2. KRWA shall retain a record of all water district commissioners attending the accredited and approved presentations.

3. No later than 30 days after the presentation, KRWA shall file with the Commission:

a. A sworn statement attesting that the accredited instruction was performed;

b. A description of any changes in the presenters or the proposed curriculum that occurred after KRWA's application;

c. The name of each water district commissioner in attendance, his or her water district, and the number of hours that he or she attended; and

d. A copy of any written material given to water commissioners attending the presentations.

By the Commission
